February 2007

WHATS GOING ON AT WHAM?

Well our January Kyosho Warbird Pylon race was a big hit. First Place Greg Hames Second Place Hunter Eckhoff Third Place Steve Parsons Fourth Place Jerrel Bolick. If you did not get a chance to come out and watch the event you missed some great flying and crashing. The turnout for the race was huge to say the least. There were about 75 or more spectators to watch the event. For some reason or the other all of the planes did not show up for the race but, we plan on having another race July 21st so if you missed flying in the first one plan on having some fun at the next one.

Next time you see Ernie and Greg thank them for hauling the gravel and spreading it out at the front gate. And to Ken for drilling the hole needed for the power to the field. A special thanks goes out to all who have been coming out and working at the field you know who you are thanks. Like to say congratulations to Chris Lentz

he came out about three weeks ago to learn how to fly. To make a long story short he is now flying on his own after 6 flights.

CLUB MINUTES FOR January

Our January meeting was held at the Hickory Airport. The meeting got underway at 7:00 pm and 17 members were present.

Old Business:

Blake has taken the responsibility of installing the power pole and mounting the box for our power. Blake has found out that we needed to get permission from the landowner to allow Duke Power to trench in the line to the shed. We have asked the land owner and she said fine with her. We have run into another snag but are working to resolve the issue we will know more about it at a later date. Club Charter will be paid in January.

New Business:

We have voted on dates for our upcoming events for 2007. Our 4th annual Warbird event will be held Saturday June 2nd With the rain date being Sunday June 3rd. Remember this event is open to any size warbird so don't be left out. Kyosho Warbird pylon race July 21st at 12:00pm practice up until 11:00am. Our 9th annual Bob Wilson Memorial Fun Fly will be held August 9th.

Ernie gathered some info on the Metro Center in Hickory about a price to rent the center for a swap meet. This event will be a joint venture with CVRC win, lose or draw both clubs will be responsibly for the event. Cecil Clark and Blake Honeycutt will meet with two members from CVRC to meet at the Metro Center and firm up a plan. Right now it looks like around \$900.00 for a hundred tables and chairs setup and taken down by the Metro Center. The final price and information will be presented at the next meeting.

We voted on six new members they were as follows: Tony Triplett, James Burns, Joe Kaminski, Chris Lentz, Steve Lentz and Ben Hames on behalf of WHAM I would like to say welcome. The meeting adjourned at 8:15pm

Upcoming Events:
